

I'm writing to  
protest Sinclair  
Broadcasting's  
decision to use the  
public airwaves for  
strictly partisan  
ends.

We need to  
strengthen media  
ownership rules so  
that a centralized  
outfit like Sinclair  
can't force illegal  
programming  
decisions on so many  
local affiliates  
while pre-empting  
all local coverage.
